

5694-20H

Supernova

20-40W Candle Base
Chandelier, 23"H × 23"D

The AF Lighting 5694-20H Supernova Twenty Light Chandelier features a polished chrome finish with twenty silver tipped 40 watt bulbs included. Also, its design features a central sphere, which has slender bulb arms coming out of it. The dimmer enables you to adjust the brightness of the chandelier's light to suit your preference. This modern style chandelier is hard-wire only. Assembly required.
